Goals for next week

Example: "Focus on weekend consistency. Add stretching to morning routine."

Tips for Success

Building Consistency: - Start small and gradually increase difficulty - Link new habits to existing routines - Track progress visually (checkmarks, graphs) - Celebrate small wins

Staying Motivated: - Review your 'why' regularly - Find an accountability partner - Reward yourself for milestones - Be flexible and adjust as needed

Overcoming Obstacles: - Plan for common barriers - Have backup options ready - Don't let one missed day derail you - Focus on progress, not perfection
